MEMORANDUM

TO: A - Mr. John M. Thomas
FROM: D/HA - Patt Derian
SUBJECT: Office Space for the Indochinese
Parole Program

Thank you for your memorandum of September 21 and for your assistance in providing office space for the temporary staff for the parole program. While our first choice would have been to have space in Main State, the quarters provided in State Annex 6 are entirely adequate and we are most grateful for your prompt assistance.
